- You are required by state law to submit to and complete a chemical test to determine the alcohol and/or drug content of your blood.
- Because I believe you are under the influence of alcohol or a combination of alcohol and drugs, you have a choice of taking a breath or blood test. If you are on DUI Probation you are required to submit to a Preliminary Alcohol Screening Test.
- Availability of Tests. (Read only when applicable.)
  - When Applicable: Since the breath and blood tests are unavailable; you are incapable of completing a breath or blood test; or you are afflicted with hemophilia or are using an anticoagulant medication, you are deemed to have given your consent to chemical testing of your urine.
  - When Applicable: Since you need medical treatment, your choice is limited to the (check all available)  blood,  breath, and/or  urine test(s), the only test(s) available at \_\_\_\_\_
- If you refuse to submit to, or fail to complete a chemical test, your driving privilege will be administratively suspended for one year or administratively revoked for two or three years by the Department of Motor Vehicles. A second offense within ten years of a separate violation of driving under the influence, including such a charge reduced to reckless driving, or vehicular manslaughter, or a violation of CVC §23140, which resulted in a conviction, or separate administrative determination that you were driving with a BAC of 0.01% or more while under age 21; or a separate administrative determination that you were driving with a BAC of 0.01% or more while on DUI probation, or a BAC of 0.04% or more while operating a commercial motor vehicle, or a BAC of 0.08% or more at any age, or you refused a test, will result in a two-year administrative revocation. Three or more offenses within ten years of any combination of the above violations, convictions or separate administrative determinations will result in a three-year administrative revocation.
- Refusal or failure to complete a chemical test may be used against you in court.
- Refusal or failure to complete breath or urine testing will result in a fine and mandatory imprisonment if you are convicted of a violation of CVC §§23152 or 23153.
- You do not have the right to talk to an attorney or have an attorney present before stating whether you will submit to a test, before deciding which test to take, or during the test.
- If you cannot, or state you cannot, complete the test you choose, you must submit to and complete a remaining test.
